

Joining Zoom meeting on intro day

The screenshot shows the Zoom website's download center. The address bar displays zoom.us/download. The navigation bar includes links for SOLUTIONS, PLANS & PRICING, CONTACT SALES, JOIN A MEETING, HOST A MEETING, and SIGN IN. A green banner states: "We have developed resources to help you through this challenging time. [Click here to learn more.](#)". Below this is a blue header for the "Download Center" with a link for "Download for IT Admin". The main content area features a yellow callout bubble that says "Download and install zoom app by clicking on this link", pointing to a blue "Download" button. To the right of the button, it says "Zoom Client for Meetings" and "Version 4.6.11 (20561.0413)".

Zoom Client for Meetings

The web browser client will download automatically when you start or join your first Zoom meeting, and is also available for manual download here.

Download Version 4.6.11 (20561.0413)

The screenshot shows an email inbox on a Mac. The selected email is from "Cybertek Training" with the subject "Cybertek - The Original SDET Course Introduction Confirmation". A yellow callout bubble points to the subject line, saying "Find registration confirmation email in your inbox with this subject". The email body contains a greeting, a thank you message, contact information for training@cybertekschool.com, the date and time of the event (Apr 19, 2020 01:00 PM Eastern Time), and a link to join the webinar. A second yellow callout bubble points to the "Click Here to Join" link, saying "Click here to launch the webinar". Below the link, there is a note about the link's uniqueness and links to add the event to various calendars. At the bottom, it says "You can [cancel](#) your registration at any time."
